

ACCELERATE RECOVERY

LOOKING TOWARDS THE FUTURE'S

ADVANCED WAYS TO SURVIVE DISASTERS

Ivory Mayhorn, Chief Executive Director

Houston's Launch Point Center

A satellite view of Earth showing several large hurricanes or typhoons swirling over the ocean. The text is overlaid on the image.

FUTURE?
WHAT DO WE KNOW?
Upcoming disasters?

RETHINKING THE FUTURE?

- WHAT DOES IT TAKE TO **CHANGE OUR RESPONSE** TO UPCOMING DISASTERS?
 - WHAT **TIMELY WAYS** CAN THE COMMUNITY RESPOND TO FUTURE STORMS?

WHAT DOES IT TAKE TO **CHANGE OUR RESPONSE** TO UPCOMING DISASTERS?

WHEN do we decide to RETHINK how we respond to disasters?

Anyone who has been a victim of these storms and know the damage should be eventually forced to rethink

where they are, where they live and how they respond to natural disasters

RETHINKING HOW WE DEAL WITH FUTURE STORM SOME TIMELY WAYS WE CAN RESPOND TO DISASTERS
